You will be able to show just how good your knowledge of times-tables is during the timed challenges which will take place twice a week during maths retrieval time.</p>	<p>New spellings will be given out each Friday. Make sure you learn these thoroughly, not just so that you can spell them each Thursday during a test, but so that you can spell these words correctly in your writing forever after.</p> <p>Remember to logon to Spelling Shed weekly to complete your assignments.</p>

**You will need to read, practise your spellings and complete some maths homework each week as a minimum.**

You are not expected to complete a topic related activity every week, or even to complete all of them. Use the ideas and activities in the topic grid as starting points for conversations or investigations at home. Please do share any discoveries you make. Topic related news is always welcome in the classroom.

Not all of the activities need to involve writing or other forms of recording so please ask a parent to sign the appropriate box as your evidence of completion.

Please bring your homework folder to school each Thursday. New spellings will be given out each Friday.

Your teacher will be happy to discuss your homework with you, should you or your parents have any queries.
