Evolution and Inheritance

Make a poster or leaflet about the variation in your family

You could include information about:

- Eye colour
- Ear lobes
- Activities you enjoy and are good at
- Double jointed or not
- Hair colour
- Can you roll your tongue?

Who are you more similar or different to in your family and why?
If you can, include photographs to support your observations!

Write a story

Write a story/essay about how the world would be different if dinosaurs had not become extinct.

Ideas: Think about whether humans would have evolved or not, and how dinosaurs would have evolved over time too. Here is an article about it for some inspiration:

Make an air-raid shelter

Make a model air raid/Anderson shelter. Think about which materials would be best to use for your model. Bring your models into school to form a display.

Research air-raid shelters built in WWII. What were they made from? How were they constructed?

History

Evacuation in World War Two

Find out where children were evacuated from and to in Britain. Show this on a map.

Draw and explain what 6 things you would want to take with you if you were evacuated.

Write a fictional diary as a child during WW2.

Chestnut Class

Homework Grid Year 5 Term 6- June 2026

Reading	Maths	Spelling
<p>Keep a record of all the reading you are doing at home in your Reading Diary. Please make sure you bring your diary into school every day, as we will also record the reading you do whilst in school.</p> <p>Aim to read at home at least 5 times a week.</p>	<p>How much progress can you make on TT Rockstars and Numbots this term?</p> <p>Continue to memorise multiplication facts. You will be able to show just how good your knowledge of times-tables is during the weekly timed challenge.</p>	<p>New spellings are given for the whole year 5. Make sure you learn these thoroughly, not just so that you can spell them during a quiz, but so that you can spell these words correctly in your writing forever after.</p>

You will need to read, practise your spellings and complete some maths homework each week as a minimum.

You are not expected to complete a topic related activity every week, or even to complete all of them. Use the ideas and activities in the topic grid as starting points for conversations or investigations at home. Please do share any discoveries you make. Topic related news is always welcome in the classroom.

Not all of the activities need to involve writing or other forms of recording so please ask a parent to sign the appropriate box as your evidence of completion.

Please bring your homework folder to school each Thursday.

Your teacher will be happy to discuss your homework with you, should you or your parents have any queries.
